

## Counter scales for all types of commerce

- Double display, front and rear, for easy reading.
- Direct access keyboard for 20 and 70 items.
- Mains power supply and rechargeable battery.
- Thermal printer of 58 mm.
- Stainless steel plate.

### Functions:

- Selling items by weight and quantity, making cash receipts and withdrawals.
- Apply discounts, surcharges, cancel items, make returns and assign different V.A.T. and assign different VAT.
- Consult and print 15 different sales reports.
- Operate with up to 3 salespeople simultaneously.
- Intercommunicate with up to 8 computers via Ethernet (model M4-30PN).

## Create and edit your own items

Create up to 12000 items and assign them to the scale's PLU keys. Edit the name, price, product type, and configure more features of your choice.

## Communicate your scales

Connect up to 8 scales and synchronize and exchange data between them. You can update your item data on all scales automatically, start the sale on one scale and finish it on another, and work with a floating salesperson.

## PC configurable

For quick and easy configuration of items, tickets, users, taxes, departments, transactions and accessories, includes CR5X software and PC-balance connection cable.

Configurable logo and header.

Description PLU configurable (Up to 12000 PLUs).

Date and time.

Different configurable VAT rates.

Seller's name (up to 3 vendors).

2 customizable footer lines.
